2010 JURY APPLICATION COVER LETTER

(Please keep these instructions for your information)

The Eagle Island Experience's mission is to create an ecology based celebration that brings out the creative expression in all of us. We believe that providing the opportunities, motivation & environment; people of all ages & backgrounds can come together to share their diversity as well as their common bonds. Our goal is to bring people together to share & communicate their ideas & talents in an experience of: nature, crafts, performances & unique adventures. **Gruntwerks will not allow DOGS off leashes, DRUGS, DRUG PARAPHANELIA, GLASS CONTAINERS or outside food and alcohol onto the festival site.**

Dates of Experience:	May 21-23, 2010
Location:	Eagle Island State Park, Eagle Idaho
Application Deadline:	April 10, 2010 (RECEIVED BY)
Notification Sent:	April 20, 2010

Please make two separate checks; one for the booth fee and additional parking pass fee (if needed) and another check for the application fee. Send 3 photos of your craft with your application. One photo should be of the structure you intend to use. We encourage all vendors (craft & food alike) to decorate their booth in order to add to the festive nature of this unique event. The following year's event will be half priced to the best-decorated booth. Remember that you are also a part of your booth so decorate yourself as well! The sky's the limit here, Folks! Food vendors need to submit a **full menu** in addition to **all appropriate licenses**. **Only food vendors may have trailers. However, we prefer you to use a stick booth if you have one and any corporate logos need to be covered for the event. Please do not dump grease in the grate found behind the food area. There has been grease in there for the past two years and if it happens again the offending vendor will be charged damages and not invited back!** There will be no power available to crafters. We will be open until dusk & encourage you to find alternative sources to light your booth. We are an environmentally friendly festival. Therefore, alternative power is required, as is recycling. The rule being: if you bring it in, you take it out. No refunds will be given once accepted. If we are unable to offer you a space, your payment will be refunded. The \$15 application fee is non-refundable. All fees & photos must accompany the application. If you wish to have your photos returned, please include a SASE. The Event Board reserves the right to jury all applications & refuse any vendor or item. Vendors not following the guidelines will be closed immediately with no refund or admission to future events. Application fees must be same day bankable. However, booth fees may be post-dated until April 30, 2010. **Vendors will not hold Eagle Island State Park, The Experience Festival, Gruntwerk's Productions, participants, directors, volunteers, or employees responsible for claims, fees, damages, or expenses before, during, or after the event period. By signing the application, you are stating that you agree with the above, as well as, to abide by the rules or risk being removed from the event. There will be no camping and gates will be locked at 11 P.M. no one will be allowed in or out after the gates close. This is in everyone best interest.**

Please include the following items:

1. Completed application
2. Check for \$15 application fee
3. Check for booth space and weekend parking passes as needed
3. 3 Photos of work
4. Menu & Licenses for food vendors

This being our 10th annual experience our intent is to create a welcoming, upbeat, ecological marketplace in a natural setting for community organizations, alternative lifestyles, education, & the peaceful discussion and/or exchange of ideas. To this end, the attitudes & ideals of Gruntwerks Events & the Experience Festival are as follows:

1. Everyone is equal. The festival regulations apply to all members no matter your level of involvement; we are all responsible to the same code and our personal behavior.
2. Violence is not welcome at the Experience. Mental, verbal, physical or sexual abuse is never appropriate & will not be tolerated. If you need support or guidance in resolving some unrest, please check with either someone wearing “Karma Patrol” or the Information Booth for the process appropriate to your situation.
3. Perhaps the most important of all is reverence for the land, without which we jeopardize our natural surroundings. Respect for the plant & animal life whose space we share & a desire to work in the environment out of respect.
4. Self-reliant people create their own future. If we can all remember to respect one another and work positively toward balance with nature in our own environment, we can create a community that values innovative ideas & the integrity of the work of the hand & the heart.
